LEDGEMERE COUNTRY CONDOMINIUM ASSOCIATION

Exterior HVAC Unit/Central Air Conditioning Installation/Upgrade Request Form

1. Placing HVAC units (Air conditioning condensers, heat pumps or otherwise) on the common areas of the community, and creating exterior wall penetrations for such equipment is only permitted after receiving written permission of the Board of Governors. Unit owners are required to receive consent for both new and replacement installations. The Board of Governors may deny this request if they, in their sole discretion, determine the request to be unsightly and/or incompatible. The unit owner will comply with all of the conditions established by the Board of Governors. "*Unit Owners*" shall include any successors in title, in perpetuity.

2. Unit owners shall be responsible for all costs and damages associated with the construction, erection, installation and maintenance of HVAC equipment.

3. HVAC installation must be performed by a licensed professional installer. Installer must carry worker's compensation and (minimum) $1,000,000 general liability insurance. Installer must provide copies of insurance certificates with *Ledgemere Country Condominium Association, C/O FirstService Residential, 3000 Davenport Ave Suite 201, Canton MA 02021* listed as an additional insured. Unit owner must submit a copy of the professional installer's license and insurance documents to the Board of Governors along with this request form. Submit all documents as an Architectural Modification request at https://ledgemerecountry.connectresident.com/

4. The Board of Governors may request that the Unit Owner meet with the site superintendent or board members to discuss placement prior to issuing consent.

5. The authority for final inspection for compliance is retained by the Board of Governors of Ledgemere Country Condominium and its managing agent or site superintendent. Unit owner agrees that any upgraded common areas shall remain common areas of the Ledgemere Country Condominium Association, subject to the rule making authority of the Board of Governors. Unit owners shall be responsible for any damage to the building, as well as any air/water penetration caused by the installation. Unit owner agrees to remove and restore the area to its original condition upon the request of the Board of Governors if the installation becomes unsightly or inoperable in the future.

The undersigned Unit Owner(s) of address _____ within the Ledgemere Country Condominium Association, in accordance with the rules and regulations, do hereby request the consent of the Board of Governors to place a install/upgrade HVAC or Air Conditioning equipment on the exterior common areas of the property.

Please describe the location of HVAC units and any ventilation holes that will be made in the building:
