LEDGEMERE COUNTRY CONDOMINIUM ASSOCIATION

Deck Gate Request Form.

1. Installing, Upgrading or Modifying a gate onto a Unit's deck shall only permitted after receiving written permission of the Board of Governors. Unit owners are required to receive consent for both new and replacement installations. The Board of Governors may deny this request if they, in their sole discretion, determine the request to be unsightly and/or incompatible. The unit owner will comply with all of the conditions established by the Board of Governors. "*Unit Owners*" shall include any successors in title, in perpetuity.

2. Unit owners shall be responsible for all costs and damages associated with the installation, upgrades and modifications of deck gates.

3. A licensed professional installer must perform the installation. Installer must carry worker's compensation and (minimum) $1,000,000 general liability insurance. Installer must provide copies of insurance certificates with *Ledgemere Country Condominium Association, C/O FirstService Residential, 3000 Davenport Ave Suite 201, Canton MA 02021* listed as an additional insured. Submit a copy of the professional installer's license and insurance documents to the Board of Governors along with this request form. Submit all documents as an Architectural Modification request at https://ledgemerecountry.connectresident.com/

4. Any required building permits shall be submitted along with this request form. Deck gates shall meet or exceed town and state building codes.

5. Deck gates are to be constructed from pressure treated wood. Gate hinges are to be galvanized (or equivalent) and be a minimum of 3 ½" tall. Gate latches are to be galvanized (or equivalent) and will be self locking. Gate frames will be a minimum of 3" wide and made from 5/4 stock. Spindles will be 1½" wide and made from 5/4 stock. Spindles will be screwed to the frame and have a maximum spacing of 4". Frame corners will be half lapped and joined using screws and exterior glue.

6. Unit owners may be billed back for initial costs of painting gates, unless installation occurs earlier in the same year as the building's regularly scheduled painting.

7. The authority for final inspection for compliance is retained by the Board of Governors of Ledgemere Country Condominium and its managing agent or site superintendent. Unit owner agrees that any upgraded common areas shall remain common areas of the Ledgemere Country Condominium Association, subject to the rule making authority of the Board of Governors. Unit owners shall be responsible for any damage to the building, as well as any air/water penetration caused by the installation. Unit owner agrees to remove and restore the area to its original condition upon the request of the Board of Governors if the installation becomes unsightly or inoperable in the future.

The undersigned Unit Owner(s) of address _____ within the Ledgemere Country Condominium Association, in accordance with the rules and regulations, do hereby request the consent of the Board of Governors to install a deck gate.
